## New Trustees Wanted

### We are seeking passionate, smart and visionary trustees!

Naenae Youth Charitable Trust is looking for new trustees who are passionate, smart and visionary, with a heart for the youth of New Zealand.

We need up to four trustees to join our current regional board based in Lower Hutt, Wellington.

We are also seeking trustees to establish the nationally focused Billy Graham Youth Foundation.

### Do you fit the bill?

We are looking for people who believe that:

- A caring, consistent coach can make a difference in young people's lives
- That a disciplined environment based around friendship and good peer role modelling is crucial
- And that sport and physical exercise build a lifelong foundation for mental and physical wellness

### Our Vision – About Us

Our vision is for young people to reach adulthood with the motivation, values, skills and knowledge to achieve their potential and make positive contributions to their families, peers and wider community.

In July 2014 we piloted the Cannons Creek Boxing Academy in Porirua, the second academy based on our successful Naenae Boxing Academy model and intend opening our third Wellington regional academy in 2018.

We have recently launched our National Advisory Service to support other communities around NZ set up their own academies based on our model.

Wellington (Naenae & Cannons Creek) is the Research & Development hub of our organisation.

## Could this be you?

As you can imagine this is a highly exciting time for us and we need wise council, expertise, passion and commitment in abundance!

For our Wellington board we are seeking people with governance, strategic planning, finance, compliance or marketing/communications experience. The focus here is on service delivery, research & development.

Our national Billy Graham Youth Foundation board will need all of the above and have the ability to visualise, network, fundraise and connect people at a national level. The focus is on governance and fundraising.
